From what promised to be a one-sided affair, the first game in the Oahu League yesterday afternoon, between Stars and J. A. C., took on a different tone, and before it was finally finished in the fourteenth inning, there were enough thrills for any fan.

The game was loosely played, many times, and Connie Hayes and Kealoha were both off in the pitching at times. Kealoha pitched his first game in the league yesterday for the season and, after he steadied down, did good work.

Hayes Responsible.
To Connie Hayes more than any other player can the defeat of yesterday suffered by the Stars be laid. There were other players who contributed at times to the loss, but in two separate innings it was the lack of headwork of Hayes which lost the game.

The first occasion was in the tenth inning. The bases were full and two men were out when Hayes came to the bat and swatted under the first ball pitched, putting up a high fly which was gathered in by Chillingworth at short.

Right at that point was the best time that the Stars had to win the game. Fernandez was the first man up and flew out to Ross. Sumner came up and was out Chillingworth to Akana. Ah Tin made a hit to left field. Joy hit a long one to center, and Hoopi came in for a hit to left. That filled the sacks, and Hayes came up to the plate and, without thought, apparently, of what depended on him, made a swing at the first one pitched and put it high in the air.

Then in the fourteenth the Stars had made one tally when they were at bat, giving them one point in the lead. Franco came up first for the Japanese, and Hayes gave him a walk. Then Akana bunted to Hayes, who made a pretty shot, but turned around to nail Franco at second, throwing wild to Miller on the sack, and Franco went two more bases and scored while the ball rolled out into center and Akana got as far as third.

Pitched Well.
Hayes did fairly good pitching yesterday, and his fielding in the main was good, but when he found himself in a place where headwork was needed, he was not there with the goods.

Kan Yen Stole Home.
The sensation of the game was when that crack little Chinese player, Kan Yen, stole home in the fourteenth, making the score that put Stars in the lead and which would have won the game but for the loose work in the second half of the inning.

Kan made first by sending a hot one down to Chillingworth, who fumbled it. Miller came up with a sacrifice which put Kan to second. Fernandez sacrificed and put the Chinese on third. Then Haole Sumner came to the bat and, with two men out and one on third, it looked bad for the Stars. Haole waited for a good one, and when the willow connected with the sphere Kan Yen was within ten feet of home plate and made the score as Sumner started for first, which he made all right. Then Ah Tin hit a long one to left field which was gathered in by Zerbe.

Many Features.
It was a game full of features, and to tell them all would be impossible. Two others that stick strong in the minds of the fans are the sight of Barney Joy stealing third—big, fat Barney stealing third. Just think of it!—and the hot catch made by Chillingworth in the tenth, when he gathered in a back-hander from Sumner's bat and put him out at first.

SECOND GAME.
The second game of the afternoon was more of a one-sided affair, the Portuguese making three runs in the first inning and scoring one in the seventh. It looked for several innings like the Portuguese game, but Hawaii got one man over in the second, another in the fourth, a third in the sixth, and then in the seventh scored two more tallies, while neither side scored in the last two innings.

WHAT KAMS DID IN TRACK MEETS

Record of Team Whose Picture Appeared in Saturday's Bulletin.

The Kamehameha track team, a picture of which was published on the sport page of Saturday's Bulletin, had a winning season in the one just past, and the record of the team and the individual men on it follows:

The Kamehameha track team of 1911 made a good showing in the meets this year, under the circumstances. The team was composed mostly of new material. The runners had to do all their training on grass, and this was a great disadvantage, not having a regular track like their opponents to do their training on. A series of dual meets was arranged between the Kams, College of Hawaii and Oahu College during March, followed by a triangular meet. The Kamehamehas were defeated in their dual meet with Oahu College, March 11, by 67 to 37. During this meet some of the star members were absent. On March 13 the full team was out and turned the tables on the College of Hawaii by the score of 59 to 44 points. The final meet was held on March 15, in which the College of Hawaii won the championship. William Rice, captain of the Hawaii team, took six first places for his team, almost winning the meet himself. The Kams were strong where the College of Hawaii were, so the school team did not have much chance to get many points. The result of the meet was: College of Hawaii, 42; Oahu College, 38; Kamehameha, 24.

The Kam team competed in the inter-collegiate championship track meet on April 15 against St. Louis College and McKinley High School. This was where the school team had a chance to show what it could do.

The Kamehamehas won the championship with a score of 74 points. St. Louis secured 24 and High School 8.

The members of the team who made winning points in all the meets are as follows: Harold Godfrey (captain), 41 points; A. Katanahua, 21; G. Manoha, 18; C. Hosea, 12; W. Apau, 12; G. Benjamin, 11; W. Kamalopili, 10; D. Hipo, 9; W. Waialeale, 7; J. Kaubi, 6; E. Noah, 6; G. Kainohi, 5; A. Alau, 5; F. Kalani, 4; J. Amos, 3; S. Hussey, 3.

Points made in championship meets: H. Godfrey (captain), 20; G. Manoha, 12; W. Apau, 10; A. Katanahua, 6; C. Hosea, 5; W. Kamalopili, 7; W. Waialeale, 4; G. Benjamin, 3; F. Kalani, 2; E. Noah, 2; J. ALIA WON GAME IN SUGAR LEAGUE

Defeated Waipahu 7-6 In Close Finish Contest on the Home Grounds.

At Alia yesterday the Alia put a defeat over their opponents, Waipahu, by a score of 7-6, and by that win they still remain at the top of the list in the Sugar League.

Alia isn't saying much this year, but the boys on the team are doing hard work, and on the quiet they have a hunch as to who the pennant winners are to be this season, and the team won't be far away from Alia, in their estimation.

It was one-sided up to the seventh, when Waipahu came through with five runs, and then it looked more than interesting for the home team, with the score tied.

Alia responded in great shape, and in the next inning took another, giving them the game, and not going to bat in the ninth.

CUPS PRESENTED IN JUNIOR LEAGUE

One feature of the day at Athletic Park yesterday was the presentation of the cups in Oahu Junior League.

The Asahis, who won the championship, marched out before the grandstand, clad in white uniforms with red trimmings, and the manager of the Muhocks was also present.

Sam Hop had the two cups and prevailed upon Noley of the Japanese Athletics to make the presentation. This he did in a few words, the larger cup going to the Asahis and being received by the captain, for winning out in the series, and the smaller one to the Muhocks for their high batting average.

Sam Hop is there with the goods when it comes to anything of the kind and the presentation before the fans was a happy thought of his.
